NOTES

1. In accordance with the Rules and Regulations of the Classification of Ship's, class will be automatically suspended and this certificate becomes invalid if not endorsed annually within three month of the due date of the Annual or Intermediate Surveys.
2. Intermediate Surveys are to be held on all ships instead of the second or third Annual Survey after completion, commissioning or Special Survey. The Intermediate Survey may be commenced at the second Annual Survey and progressed with completion at the third Annual Survey.
3. This certificate expired on the due date of the Special Survey. Consideration may be given at the discretion of the Committee to any exceptional circumstances justifying an extension to the Special Survey Completion date for a maximum period of three months beyond of validity of this certificate.
4. Prior to the endorsement of this certificate all overdue hull and machinery surveys should be dealt with or postponed by agreement.
5. In normal circumstances the Annual or Intermediate Survey is to be held in conjunction with the Periodical Load Line Inspection and the Safety Construction Annual Survey.
